

Answer the following questions

Question 1 ⇒ What does the wind say to the sun on seeing the man walking down the road?

Answer ⇒ The wind says to the sun that it can get the man's coat off more quickly than the sun can, to prove that it is stronger than the sun.

Question 2 ⇒ What does the man say to himself about the wind?

Answer ⇒ The man says to himself that the wind is very strong and he must hold his coat tightly around himself.

Question 3 ⇒ What makes the wind give up?

Answer ⇒ The wind gives up when it cannot get the man's coat off.
